

Welcome to Our Basic Spanish Course!

Learn Spanish in an engaging and practical way with our 3-month Basic Spanish Course. Designed for beginners, this course will help you develop essential communication skills for everyday situations through online classes, interactive materials, and a supportive learning environment.

A by Afonso Carlaho Fernandes

Course Objectives and Structure

Our Basic Spanish Course aims to build your listening, speaking, reading, and writing skills, with a focus on practical, daily conversations. The course is structured as 3 months of weekly online classes, using textbooks, videos, and other educational materials.

Course Objectives

Develop essential Spanish communication skills for everyday situations like greetings, ordering at restaurants, shopping, and asking for directions.

Course Structure

3 months of weekly online classes, with a mix of educational materials including textbooks, videos, and audio lessons.

Evaluation and Certification

Written exams, oral evaluations, and projects. Certificate upon successful completion of the course.

What You'll Learn

1 Spanish Fundamentals

Alphabet, numbers, dates, colors, and more.

3 Everyday Vocabulary

Greetings, family, places in the city, and common expressions.

2 Basic Sentence Structures

Verbs "ser" and "estar", pronouns, and articles.

4 Conversational Skills

Simple questions, practical dialogues, and useful phrases.

Resources and Support

We provide a variety of resources to support your learning, including textbooks, workbooks, and recommended apps and websites for additional practice. Our instructors are also available to help you throughout the course.

Textbooks

Comprehensive course materials to guide your learning.

Digital Resources

Recommended apps and websites for extra practice.

Instructor Support

Personalized guidance and assistance from our team.
